

Welcome back everyone!

We hope you had a fantastic half term and enjoyed celebrating the Queens platinum jubilee with family and friends over the extended holiday period!

## **SCHOOL LEAVERS**

We have a number of children who will be leaving in July to start their new journeys at school. We would like to take this opportunity to wish them all the very best and they will be sadly missed by all of us. There is information on the Bromley website about moving to primary school which is helpful for parents.

Please see the links below to support parents and children who have SEN needs.

## **Book Bags**

We will be collecting all book bags and home learning packs by the end of term. So we will be grateful for their return especially if you are going away before the end of term.

## **Ofsted Report**

We would like to take this opportunity to thank all the parents who contributed to our recent Ofsted inspection. You can find the report on the Ofsted inspection by using the link below.

## Teddy's Bear Picnic

We are having an end of term picnic on 19<sup>th</sup> July, all children and parents are welcome. If children bring in a healthy packed lunch. We start at 12pm and finish at 2pm so we will close playgroup at 2pm.

## Committee members

Royston Playgroup is still recruiting new committee members as the playgroup is a 'parent-run preschool'. What that means is that there's a small committee of parents who meet once a term to ensure the provision runs safely, efficiently and legally. We also have general meetings, where all parents can come together to help ensure our future. If you would like to find out more, please visit our website or email [roystonplaygroup@hotmail.com](mailto:roystonplaygroup@hotmail.com)

### [Health and Safety Week 6 June – 12<sup>th</sup> June](#)

Every day around 40 under-5s are rushed to hospital after choking or swallowing something dangerous. It can happen quickly and it can happen to anyone. With this in mind, we would like to share with you some useful resources regarding food safety and choking prevention.
